PRINCIPAL’S REPORT.

Music Count Us In

Congratulations to Mrs Miller, staff and students who participated in Music Count Us In on Thursday 30-10-14 during first break. All of the students in the school sang Paint You a Song ably led by our School Choir which is live streamed across Australia at the same time. It was magnificent to see all of our students as a school participating in this live stream across the nation.

Compost Area/ Pink Fun Run – Well done and thank you to our Student Council organisers, our 2014 Student Council, and Mr Lindenmayer who was involved in the creation of the compost area at the front of the school. This area has been designed by members of the Student Council using Australian Natives to make a screen around the compost bins. On behalf of the Kuluin community I would like to congratulate the Student Council on initiating this project.

Well done everyone for getting involved in the Pink Fun Run to support the Cindy McKenzie foundation and cancer research on Friday. This activity was organised by our Student Council and staff.

School Disco/Bunnings – A reminder that on Thursday evening 06-11-14 the School Disco will be held. It would be greatly appreciated if staff members if you are able come along and help out on the night. The Bunnings BBQ will be held on Sunday 09-11-14. If you are able to help out at all your assistance and support will be gladly welcomed.

Celebrate Tuckshop Day on 7 November

Our tuckshop performs an important role at Kuluin School and much of the hard work undertaken by tuckshop convenors, P&C and volunteers is done out of the public eye. They provide an invaluable service in ensuring students have access to nutritious, tasty and affordable food. This Friday 7 November is Tuckshop Day. Please remember to acknowledge and appreciate the work that our tuckshop convenor Kellie Bell and her volunteers do at our school and say a big “thank you”.

Music by Moonlight Concert

The Music by Moonlight Concert will be held at 6:00pm on 12th of November 2014 in the school hall. This is the end of year music concert to celebrate the many musical and talented groups that we have in our school. Please keep this night free and come along to watch our children showcase their talents.

Head Lice

During the summer months head lice become more active and it is essential that as a whole school community we continue to check our children’s heads weekly, treat quickly and tell the school if head lice are found.

LOTE News

On Sunday the 31st of August three Year 6 students represented The Kuluin School at the annual MLTAQ Sunshine Coast Speech Competition at the University of the Sunshine Coast. Taj Arndt, Georgia May and Delta Climo presented a speech entirely in Japanese to a panel of three judges. They were also asked a series of questions which they answered in Japanese. All three students received a certificate of participation and a bag of Japanese souvenirs to take home. These students spent many lunch breaks over the past month practicing their speech with Sensei (Mrs Bell) and they all performed extremely well. A special mention to Taylah Cottier who spent time preparing for the competition but was unfortunately too unwell to participate on the day. Congratulations to all these students on their hard work and dedication towards participating in this exciting competition.

Renee Bell
Japanese Teacher

P&C NEWS

Volunteers needed urgently for disco Thursday 6th November.
