From Acting Principal

Gala Night
It was fantastic to see so many families participating in our annual Gala night. The benefits of our Dance Fever program were evident in the performances of our Prep students right through to our Year 7 students. It’s always terrific to see so many parents join their children on the dance floor - lots of fun had by all.

Dance Fever Challenge
Our Dance Fever Challenge students went on to perform well again this year gaining the overall trophies for year 6 and 7. The detail of their success will be shared on the website and assembly. Thank you to Ms. Jarda Samaha, Ms. Karen Sigston and parents who spent Sunday supporting our Dance Fever Challenge students in Brisbane.

Congratulations to Jarda and our Dance Fever Students!

Well done!

Happy Holidays
This Friday September 20 is the last day of Term 3. School then resumes on Tuesday October 8. On behalf of the Kuluin staff I wish all students a safe and happy September holiday.

Acting Principal

Sports News

Swimming for Years 1-3 will commence in Week 4 October 29 and will conclude on Thursday December 5, 2013. Each class will swim once a week over a 6 week period and the cost will be approximately $38.00 which covers bus travel, pool admission and instructors fees. This cost has been subsidized by the Department of Education to assist children to learn how to swim and gain water confidence. Notes and a timetable for each class will be forwarded to each student in the first week of school next term.

Surf Skills for Years 6 and 7 students will commence on Thursday November 14 and Friday November 15, 2013. The program runs for 4 weeks and each student will work with qualified lifeguards, surf instructors and a board body instructor. The cost will be approximately $47.00 which covers bus travel, hire fees of boards, lifeguard fees and surf instructors fees.

This is an excellent program to prepare children with knowledge and skills for the summer holidays. If any parents can assist as helpers at the beach or have assisted at lifesaving clubs your help would be greatly appreciated. Please see your child’s teacher if you can help out at the beach. Students will receive a note and timetable in the first week of school next term.

Congratulations to Oliver Pateman and Bailey Murchie who were members of the Sunshine Coast Boys Softball team that competed at the State 12 Years and Under Championships over the weekend. After the first 2 days the team was undefeated and played in the Grand Final on Sunday to try and win the gold medal.

In the final they were just beaten by Wide Bay in a close final 8-3 having beaten the State Champions 6-2 in an earlier round. Both boys really enjoyed the experience and were great ambassadors for our school.

On the holidays if families are heading to the beach please swim between the flags. Have a great holiday everyone.
