A new bus network for the Sunshine Coast

On Monday 25 November, Sunshine Coast buses will change in line with the opening of the new Maroochydore bus station. Your new bus network will provide you with:

- a new Maroochydore bus station
- better connections to train services
- simple, direct and frequent services

An important note for school students

As part of these changes, you may notice some changes to bus stops within your local area.

Please note that Buslink school services are not impacted by these bus stop changes and will continue to use these stops, even if they are no longer serviced by regular Sunbus buses.

You can grab a copy of your new timetable from mid November by:

- visiting translink.com.au
- on-board your local bus service
- visiting your local library, electorate office, tourist information centre and major shopping centres such as Sunshine Plaza and Kawana Shoppingworld
- calling 13 12 30 and having one sent out to you

For more information about your new bus network, visit translink.com.au or call 13 12 30 anytime.

**Overdue Library Books**

Library borrowing will cease on 29 November, after which all books will become overdue. Could we please ask for your assistance in helping your child to locate and return their library books ASAP. There will be a reward for the class that have all their books returned first. Please don’t let your fellow class members down by not returning your books. This also includes any home readers children may still have at home. These books are kept in sets of 8 and it is paramount that they are all returned to keep these sets complete.
