Patricks Poem
In a Rocket
In the airless moving Rocket,
In the colourful blue fading atmosphere,
I can see:
A black Vacuum stretching forever, kissing the rocks from comets,
Soaring sharp eyed Satellites, judging the Earths midity climate,
Faint dead stars scattering in the gravity of its moon,
Dwarf planet Pluto hoping we will find it,
I can feel:
Loneliness knowing there is no-one out there,
Spaces cool light breath touching my white suit,
Haleys comet flashing before my wide excited eyes,
There’s another adventure through magical space.

Deputy Principals
Haley’s comet flashing before my wide excited eyes,
There’s another adventure through magical space.

Congratulations and thank to the recipients of the 2013 Spirit of Kuluin Award winners who were
acknowledged at our Thank You Morning Tea on Monday. All of these recipients were most deserving of
this small token of our appreciation. The winners were: Bev Lacey, Robyn Williams, Kerr Styan & Debbie
Christopher. On behalf of the Kuluin School community I would like to sincerely thank all of the many
volunteers who support and assist us in many different ways throughout the year.

Christmas Assemblies:
Next Tuesday 3 December at 9:00am in the School Hall we will be holding our Year 4 - 7 Christmas
Assembly. On Wednesday 4 December at 9:00am our Prep to Year 3 students will be entertaining us all at
their Christmas Assembly. The Christmas Assemblies take the place of our regular Assemblies. Please
come along and get into the spirit of Christmas with our children.

Multi-Age Class 2014
The current enrolment data for the 2014 school year indicates there will be a significant increase in Junior
School students next year. Due to smaller upper school cohorts and staff changes it will not be possible to
continue the multi-age class in its current format. Composite classes across the school will still be a year
to year possibility and dependent on student enrolments.

2014 will be a transition phase for our multi-age class. The multi-age class at Kuluin has been in operation
for 23 years with Ms Stundon teaching in this learning environment for this whole time. I would like to
acknowledge the work of Ms Stundon, Mrs McCormack and the teachers who have been part of this very
distinctive and supportive approach to teaching and learning.

Have confidence that we always have the best interests of your child at the forefront of any decisions that
will be made for class arrangements for 2014.

Support Our Chaplain

A new High Court challenge means the School Chaplaincy program is under threat again. As a result, Scripture Union is asking schools to once again show their support. There are forms in the foyer if anyone would like to show their support by signing the “Statement of Support”. There is also a backpack that you can sign that will be presented to the Minister of School Education.

Kickback Program

If you are considering purchasing any sporting related items for yourself or Christmas presents, consider having a look at Amart All Sports. Any purchases made at Amart All Sports provide our school with 5% of your total spend. So make sure that you mention you are from Kuluin School and would like your purchase recorded in the Kickback Program for our school. This is at any Amart All Sports store.

Over the past 15 months we have gained around $20,000 in cash from this program, which has allowed us to supply great raffle prizes in the form of vouchers. Remember to tell your friends, family and neighbours too!

Your continued support is greatly appreciated.
